TOTAL 1 HR 15 MIN

INGREDIENTS

Chicken

1 1/2 lb	chicken breasts or thighs, thinly sliced
1/3 cup	full-fat plain Greek yogurt
1/4 cup	extra virgin olive oil
6 cloves	garlic, chopped
2	shallots, chopped
1 tbsp	smoked paprika
2 tsp	dried oregano
1/2 tsp	turmeric
	chili flakes, to taste
	kosher salt

Green tahini (or see notes)

1/2 cup	tahini
1/2 cup	mixed fresh herbs: parsley, dill, basil or cilantro
1/4 cup	water, plus more to thin
2 tbsp	lemon juice
1	jalapeño, seeded if you want it milder
1 to 2	garlic cloves, grated
1 tsp	honey
1 tsp	kosher salt, plus more to taste

Sandwiches

4 pieces	naan
1/2 cup	green tahini, Caesar or mayo, plus extra to serve
1/2 cup	oil-packed sun-dried tomatoes, sliced
1/2 cup	sliced dill pickles and/or pepperoncini
6 slices	Havarti
6 slices	gouda
2 cups	sprouts or microgreens
1/2 cup	pickled red onions (optional)
	olive oil and sesame seeds, for the top

METHOD

1. Toss the chicken with the yogurt, oil, garlic, shallots, paprika, oregano, turmeric, chili flakes and a good pinch of salt. Let it sit **15 minutes** while you prep; the yogurt tenderizes and helps the spices cling. Heat the oven to **425F (220C)**.
2. Spread the chicken in one layer on a sheet pan and roast **20 minutes**, until cooked through. Switch to broil for **1 to 2 minutes** to char the edges, then set the oven back to **425F (220C)** for the sandwiches.
3. While the chicken roasts, blend all the tahini ingredients until smooth. Add water a spoonful at a time until it pours, then taste for salt; it needs some.
4. Lay the naan flat on a sheet pan. Spread dressing over one half of each, then layer sun-dried tomatoes, pickles, both cheeses and the chicken. Cover with foil and bake **15 minutes**, until the cheese melts; the foil keeps the naan soft while the filling heats.
5. Uncover. Pile on the sprouts and onions, drizzle with more dressing, and fold the bare half of each naan over the top, pressing gently. Rub the tops with oil, sprinkle with sesame seeds, and bake uncovered **5 to 10 minutes** until toasted. Check at **5 minutes**: naan overbrowns quickly.
6. Slice and serve warm, with extra dressing on the side.

NOTES

- Thick homemade naan may not fold cleanly. Sandwich the filling between two pieces instead, or use a split loaf of ciabatta.
- No time for the tahini: use a good store-bought Caesar, garlic mayo, or mayo stirred with basil pesto.
- Make ahead: roast the chicken and blend the dressing in advance, and assembly to table is about **25 minutes**. Wrapped, the sandwiches travel fine still slightly warm.
- Cod or halibut can replace the chicken; roast only until it just flakes.
- Good with sweet potato fries or a sharp green salad.
