Tahini Yogurt Sauce

Yogurt and tahini whisked with garlic into a tangy sauce.

MAKES **1 CUP** · TOTAL **10 MIN**

INGREDIENTS

3/4 cup	plain yogurt, milk kefir or vegan yogurt
1/4 cup	tahini, stirred
1 to 2	garlic cloves, finely minced (or 1/2 tsp granulated)
1/4 to 1/2 tsp	salt, plus more to taste
1/4 tsp	black pepper
1 tsp	lemon juice (optional)
1 tsp	olive oil (optional, for fat-free yogurt)

To garnish (optional)

parsley, dill, cilantro or chives

Aleppo chile flakes or Urfa biber

METHOD

1. Whisk the yogurt, tahini, garlic, salt and pepper in a medium bowl until completely smooth.
2. Taste. Add the lemon juice only if your yogurt isn't tangy, since some are sharper than others. With fat-free yogurt, add the olive oil or a little extra tahini for richness. Adjust salt and pepper.
3. Refrigerate until serving, then top with herbs and chile flakes if you like.

NOTES

- Keeps **4 days** in an airtight container in the fridge, longer if made with granulated garlic instead of fresh.
- Use with Sheet Pan Chicken Shawarma, falafel, lamb, or as a bed for roasted cauliflower and other vegetables. Also good as a dip with pita.
- A pinch of lemon zest is a nice garnish; in winter, pomegranate seeds.
